Record Request MIT-5 (Tr. 2, at 282)

Refer to Exh. MIT-1-16. Please provide the contract demand amounts for the Belmont and MBTA wholesale contracts.

Response

Please refer to Attachment RR-MIT-5 for the 2005 billing determinants for Belmont and the MBTA's Alewife and Porter Stations in Cambridge. The Belmont values are those applicable to charges booked in 2005. The MBTA takes firm service for these stations, so the values are fixed per the terms of the Service Agreement.
